ORDER

(Passed on 6th Day of February, 2007)

The question of law involved in this batch of writ petitions is as to whether the teachers working in Government aided schools are entitled to the benefit of recommendations of Vth Pay Commission under the provisions of the Madhya Pradesh Ashaskiya Sikshan Sanstha (Adhyapakon Tatha Anya Karmchariyon Ke Vetano Ka Sandaya) Adhiniyam, 1978 (henceforth 'the Adhiniyam, 1978') and the rules made thereunder read with the Madhya Pradesh Revision of Pay Rules, 1998 (henceforth 'the Pay Rules, 1998'). The facts involved in all the petitions are common. Thus, all the petitions are being considered and disposed of by a common order.

2. The facts, in nutshell, are that the petitioners are teachers working in Government aided schools under the provisions of the Adhiniyam, 1978. The Governor of the undivided Madhya Pradesh,

(168)

while exercising powers conferred by the Proviso to Article 309 of the Constitution of India, made the Pay Rules, 1998. Rule 9 of the Pay Rules, 1998 provides for payment of revised pay-scale with effect from 1-1-1996. Other provisions of the Pay Rules, 1998 provides for exercising of option and distribution of arrears etc. Rule 14 of the Pay Rules, 1998 provides for power to relax to the extent that the State Government may relax or suspend the operation of any of the provisions of these rules in the case of Government Servants or category of Government servants in such manner and to such extent as may appear to be just and equitable or necessary or expedient in the public interest. It was further provided that such relaxation or suspension shall not operate to the disadvantage of the Government Servant or categories of Government servants, as the case may be.

3. The State Government of Chhattisgarh, in exercise of the powers conferred by Section 79 of the Madhya Pradesh Reorganisation Act, 2000 (No.28 of 2000), passed the Adaptation of Laws Order, 2002 (henceforth 'the Order, 2002'). The Order, 2002 came into force with effect from 1-11-2000 to the extent that the laws, as amended from time to time, specified in the Schedule to the Order, 2002, which was in force in the State of Madhya Pradesh immediately before the formation of the State of Chhattisgarh, were adapted by the State of Chhattisgarh until repealed or amended, subject to the modification that in the laws for the words "Madhya Pradesh", wherever they occur the word "Chhattisgarh" shall be substituted. The Adhiniyam, 1978, the Pay Rules, 1998, the Regulation of Board of Secondary Education M.P. Madhyamic Shiksha Niyam, 1966 were adapted, as it is, without any modification/amendment.

(169)

4. Mr. Sanjay K. Agrawal, Mr. Ashish Shrivastava, Mr. Manoj Paranjpe, Mrs. Fouzia Mirza, Mr. Arun Kumar Shukla, Mr. Sanjay Ram Tamrakar, Mr. Rewa Shankar Patel, Mr. Ramakant Pandey, Mr. Ramakant Mishra, Mr. Neelkanth Malviya, Mr. Anoop Majumdar, Mr. Anurag Dayal Shrivastava, Mr. V.K.Pandey, Mr. Y.C.Sharma, Mr. Anupam Dubey, Mr. Shailendra Shukla, Ms. Sunita Jain, Mr. Saurabh Sharma, Mr. Saurabh Sahani, Mr. Sachin Singh Rajput, Mr. A.K.Yadav, Mr. Raghvendra Pradhan and Mr. S.S.Mishra, learned counsel appearing for the petitioners, would make common submissions as under :-

(i) Non-grant of benefit of recommendations of Vth Pay Commission at par with teachers working in Government schools is contrary to the provisions of the Adhiniyam, 1978, which provides for regulation of payment of salaries to teachers and other employees of Non-Government schools receiving grants-in-aid from the State Government, and Regulation 73 of the Board of Secondary Education, Madhya Pradesh Regulations, 1965.

(ii) Refusal of grant of benefit of recommendations of Vth Pay Commission with effect from 1-1-1996 is arbitrary, discriminatory and violative of Articles 14, 16, 21 and 39(d) of the Constitution of India as the teachers working in the Non-Government schools receiving full grants-in-aid are not treated

(170)

at par with teachers working in the Government schools.

(iii) Granting revision of pay-scale on the basis of the recommendations of Vth Pay Commission with effect from 1-10-2006 vide circular dated 28-11-2006 (P-2) is violative of Rule 9 of the Pay Rules, 1998.

5. *Per contra*, Mr. V.V.S.Moorthy, learned Deputy Advocate General with Mrs. Anju Ahuja, learned Deputy Government Advocate, appearing for the State of Chhattisgarh/respondents, would submit that these writ petitions be dismissed on the ground of delay and laches, as the recommendations of Vth Pay Commission were made effective with effect from 1-1-1996 by making the Pay Rules, 1998. The petitioners have preferred these petitions after a period of 10 years from the date cause of action arose. The counsel would further contend that the petitioners, being not employees of the Government, are not entitled to similar benefit as granted to the Government teachers. The claim of the petitioners was already rejected by the erstwhile State of Madhya Pradesh vide order dated 4-7-2000 (R-1/1). Thus, the petitioners are bound by the said order. It was next contended that the Adhiniyam, 1978 has been amended vide notification dated 22-8-2000 (R-1/2), wherein definition of "grant", "teacher", "salary" given to the Non-Government schools receiving aid from the Government have been amended and as per new definitions, the petitioners are not entitled to

(171)

revised pay-scale as per the recommendations of Vth Pay Commission with effect from 1-1-1996.

6. I have heard learned counsel appearing for the parties and perused the pleadings, documents appended thereto.

7. The Adhiniyams, Rules and Regulations (supra) were framed to grant benefit to teachers and other employees of the Non-Government schools receiving grants-in-aid from the Government before bifurcation of State of Madhya Pradesh. Pursuant to the Madhya Pradesh Reorganisation Act, 2000, the same were adapted by the State of Chhattisgarh under the Order, 2002. The High Court of Madhya Pradesh, while considering the same issue in ***V.V.Ashthana and others*** vs. ***State of Madhya Pradesh and others*** (Writ Petition No.2029 of 2000) and ***Indore Region Shikshak Karmachari Sangh and another*** vs. ***State of Madhya Pradesh and others*** (Writ Petition No.1841 of 2001) and several others, held that the teachers of the Non-Government institutions are entitled for similar pay-scale, dearness allowance, house rent allowance, as has been paid to the corresponding category of teachers in Government institutions with effect from 1-1-1996. A Division Bench of the High Court of Madhya Pradesh, in L.P.A. No.48 of 2003, dismissed the appeal against the order dated 29-1-2003 passed in ***V.V.Ashthana and others*** vs. ***State of Madhya Pradesh and others*** (supra).

8. In order to appreciate the question of law involved herein, it is necessary to quote certain relevant provisions of law.

(2) A Government Servant who has officiated in a post prior to 1st January 1996 but was not holding that post on 1st January 1996 and who on subsequent appointment to that post draws pay in the revised scale of pay shall be allowed the benefit of the proviso to F.R. 22 to the extent it would have been admissible to him had he been holding that post on the 1st day of January 1996 and had elected the revised scale of pay on that date."

(176)

"11. **Payment of arrears of pay.** – The actual arrears of pay as a result of fixation of pay under these rules shall be payable in cash from 1st January 1998 (i.e. pay for the month of January 1998 payable in February 1998). Provided further that in case of retirement/termination/death occurs after 1st January 1996 and before pay fixation under this rule, and the final payment of Provident Fund has also been made, the arrears will be paid in cash."

13. The relevant provisions of the Revised Grant-in-Aid Rules, 1979 read as under :-

179

"4. Taking into account the requirement and availability of funds, grants under these rules will be given, to non-Government institutions which impart sound and secular instruction. Such grants will be subject to the conditions specified in these rules and also subject to further conditions as may be specified by the State Government from to time-to-time."

"33. (i) The scales of pay of the teachers including the Head of the Institution, and other employees of an educational institution which is in receipt of Government grant shall be in accordance with those sanctioned for the corresponding categories of employees in Government educational institutions."

14. Hon'ble Mr. Justice R.C.Lahoti, the then Chief Justice of India, speaking on behalf of a seven Hon'ble Judges Bench of the Supreme Court of India in ***P.A.Inamdar and others*** **vs.** ***State of Maharashtra and others***[1], has elaborated importance of education in a civilized society as education is national wealth essential for the nation's progress and prosperity. The Hon'ble Supreme Court defined education in following terms : -

"Education

81. "Education" according to *Chambers Dictionary* is "bringing up or training; ...strengthening of the powers of body or mind; culture".

(180)

82. In *Advanced Law Lexicon* (P. Ramanatha Aiyar, 3rd Edn., 2005, Vol. 2) "education" is defined in very wide terms. It is stated:

"Education is the bringing up; the process of developing and training the powers and capabilities of human beings. In its broadest sense the word comprehends not merely the instruction received at school, or college but the whole course of training moral, intellectual and physical; is not limited to the ordinary instruction of the child in the pursuits of literature. It also comprehends a proper attention to the moral and religious sentiments of the child. And it is sometimes used as synonymous with 'learning'."

83. In *Sole Trustee, Lok Shikshana Trust* v. *CIT*[11] the term "education" was held to mean (SCC p. 262, para 5)

"the systematic instruction, schooling or training given to the young in preparation for the work of life. It also connotes the whole course of scholastic instruction which a person has received. ...What education connotes ...is the process of training and developing the knowledge, skill, mind and character of students by formal schooling."

84. In "India – Vision 2020" published by the Planning Commission of India, it is stated (at p. 250):

"Education is an important input both for the growth of the society as well as for the individual. Properly planned educational input can contribute to increase in the gross national products, cultural richness, build positive attitude towards technology and increase efficiency and

effectiveness of the governance. Education opens new horizons for an individual, provides new aspirations and develops new values. It strengthens competencies and develops commitment. Education generates in an individual a critical outlook on social and political realities and sharpens the ability to self-examination, self-monitoring and self-criticism."

"The term 'knowledge society', 'information society' and 'learning society' have now become familiar expressions in educational parlance, communicating emerging global trends with far-reaching implications for growth and development of any society. These are not to be seen as mere clichés or fads but words that are pregnant with unimaginable potentialities. Information revolution, information technologies and knowledge industries, constitute important dimensions of an information society and contribute effectively to the growth of a knowledge society." (*ibid.*, p. 246)

"Alvin Toffler (1980) has advanced the idea that power at the dawn of civilisation resided in the 'muscle'. Power then got associated with money and in the 20th century it shifted its focus to 'mind'. Thus the shift from physical power to wealth power to mind power is an evolution in the shifting foundations of economy. This shift supports the observation of Francis Bacon who said 'knowledge itself is power'; stressing the same point and upholding the supremacy of mind power, in his characteristic expression, Winston Churchill said, 'the empires of the future shall be empires of the mind'. Thus, he corroborated Bacon and professed the emergence of the knowledge society." (*ibid.*, p. 247)

182

85. Quadri, J. has well put it in his opinion in *Pai Foundation*[1]: (SCC p. 635, para 287)

"*287.* Education plays a cardinal role in transforming a society into a civilised nation. It accelerates the progress of the country in every sphere of national activity. No section of the citizens can be ignored or left behind because it would hamper the progress of the country as a whole. It is the duty of the State to do all it could, to educate every section of citizens who need a helping hand in marching ahead along with others."

86. According to Dr. Zakir Hussain, a great statesman with democratic credentials, a secularist and an educationist, a true democracy is one where each and every citizen is involved in the democratic process and this end cannot be achieved unless we remove the prevailing large-scale illiteracy in our country. Unless universal education is achieved which allows every citizen to participate actively in the processes of democracy, we can never claim to be a true democracy. Dr. Zakir Hussain sought to ensure that the seeds of knowledge were germinated in the minds of as many citizens as possible, with a view to enabling them to perform their assigned roles on the stage of democracy. [Dr. Zakir Hussain, as quoted by Justice A.M. Ahmadi, the then Chief Justice of India[12], SCC (J) at pp. 2-3.]

87. Under Article 41 of the Constitution, right to education, amongst others, is obligated to be secured by the State by making effective provision therefor. Fundamental duties recognised by Article 51-A include, amongst others: Article 51-A(*h*) to develop scientific temper, humanism and the spirit

(183)

of inquiry and reform; and Article 51-A(*j*) to strive towards excellence in all spheres of individual and collective activity so that the nation constantly rises to higher levels of endeavour and achievement. None can be achieved or ensured except by means of education. It is well accepted by the thinkers, philosophers and academicians that if JUSTICE, LIBERTY, EQUALITY and FRATERNITY, including social, economic and political justice, the golden goals set out in the preamble to the Constitution are to be achieved, the Indian polity has to be educated and educated with excellence. Education is a national wealth which must be distributed equally and widely, as far as possible, in the interest of creating an egalitarian society, to enable the country to rise high and face global competition. "Tireless striving stretching its arms towards perfection" (to borrow the expression from Rabindranath Tagore) would not be successful unless strengthened by education.

88. Education is:

"...continual growth of personality, steady development of character, and the qualitative improvement of life. A trained mind has the capacity to draw spiritual nourishment from every experience, be it defeat or victory, sorrow or joy. Education is *training the mind* and not *stuffing the brain*."

(See *Eternal Values for A Changing Society*, Vol. III *Education for Human Excellence*, published by Bharatiya Vidya Bhavan, Bombay, at p. 19.)

"We want that education by which character is formed, strength of mind is increased, the intellect

(184)

> is expanded, and by which one can stand on ones own feet. ...The end of all education, all training, should be man-making. The end and aim of all training is to make the man grow. The training by which the current and expression of will are brought under control and become fruitful is called education." (Swami Vivekanand as quoted *ibid.*, at p. 20.)
>
> **89.** Education, accepted as a useful activity, whether for charity or for profit, is an occupation. Nevertheless, it does not cease to be a service to society. And even though an occupation, it cannot be equated to a trade or a business."

15. In view of the several decisions of the Hon'ble Supreme Court of India in ***Unni Krishnan, J.P. and others*** **vs.** ***State of Andhra Pradesh and others***[2], ***M.C.Mehta*** **vs.** ***State of T.N. and others***[3], ***Bandhua Mukti Morcha*** **vs.** ***Union of India and others***[4], ***University of Delhi and another*** **vs.** ***Anand Vardhan Chandal***[5], ***State of W.B. and others vs. Nuruddin Mallick and others***[6], Article 21A in Part III of the Constitution of India has been inserted by the Constitution (Eighty-sixth Amendment) Act, 2002 as under :-

> **"21A. Right to education**. – The State shall provide free and compulsory education to all children of the age of six to fourteen years in such manner as the State may, by law, determine."

(185)

16. In consonance with the importance of education in a civilised society, the State legislature framed the Adhiniyam, 1978 to provide for regular payment of salaries to teachers and other employees of Non-Government schools receiving grant-in-aid from the State Government. It appears that the Government was not in position to have its own schools run and governed by the Government, thus, Non-Government schools were provided cent percent grants-in-aid for making regular payment to obtain objectives of quality education in schools as prescribed under Article 21A read with Articles 38 and 41 of the Constitution of India. The salary defined in the Adhiniyam, 1978 provides for payment of pay and dearness allowance at the rate approved for the purpose of payment of maintenance grant till the Sanshodhan Adhiniyam, 2000 came into force with effect from 22-8-2000. Under the Sanshodhan Adhiniyam, 2000, salary was defined as the salary and other allowances payable to a teacher or an employee at the rate as may be notified by the institution. Under these rules, there is no mention of payment of salary at par with the teachers and other employees working in Government schools.

17. The Madhya Pradesh Legislature, in order to facilitate more efficient supervision of the Board's work at divisional level, specially the examinations conducted by the Board, enacted the Shiksha Adhiniyam, 1965. Section 28 of the Shiksha Adhiniyam, 1965 provides for power of Board to make regulations. Clause (d) of sub-section (2) of Section 28 of the Shiksha Adhiniyam, 1965 enables the Board to make regulations with regard to the conditions of recognition of institutions for purposes of admission to the privileges of the Board, the qualification and condition of service of teachers and framing of a

(186)

School Code to ensure a minimum standard of efficient and uniform management of such institutions. In exercise of its power under Clause (d) of sub-section (2) of Section 28 of the Shiksha Adhiniyam, 1965, the Board framed the Regulations, 1965, which obtained approval of the State Government vide memo dated 8-12-1966. Regulation 73 of the Regulations, 1965, as quoted (supra), provides for scales of pay of the staff in educational institutions which are in receipt of Government grant. It is specifically prescribe that the scales of pay shall not be less than those sanctioned for the corresponding staff in Government institution. In the case of educational institutions, which are not aided, there shall be a scale of pay, the minimum of which shall not be less than that in Government educational institutions. In the facts of the present case, all the institutions (schools) are receiving grants-in-aid in full. 'Salary' defined in the Adhiniyam, 1978 read with the Sanshodhan Adhiniyam, 2000 has to be read with Regulation 73 of the Regulations, 1965. It is clear that the intention of the Government is to provide same scales of pay to the staff including teachers working in Non-Government schools receiving grant-in-aid at par with the staff including teachers working in Government schools.

18. The Vth Pay Commission made recommendations for revision of pay-scales of teachers and others, which were accepted by the then Government of Madhya Pradesh and was made payable with effect from 1-1-1996. All the Adhiniyams, Rules, Regulations, stated (supra), have been adapted without modification by the Government of Chhattisgarh by the Order, 2002.

(187)

19. The then State of Madhya Pradesh, in exercise of powers conferred by the Proviso to Article 309 of the Constitution of India, made the Pay Rules, 1998, whereunder, the revised pay was payable with effect from 1-1-1996. The provisions of the Pay Rules, 1998 made certain exceptions for applicability of the Pay Rules, 1998 in respect of following categories of Government Servants :-

> "(a) Persons engaged on contract;
> (b) Part-time and daily rated employees;
> (c) Re-employed pensioners;
> (d) Persons paid from contingency and work-charged employees;
> (e) Persons paid on pay scales of the University Grants Commission and All India Council for Technical Education;
> (f) Persons drawing pay in the All India Services Scales; and
> (g) Any other Class or Category of persons as the Governor may, by order, specifically specify in this behalf."

20. Rules 3(b) of the Pay Rules, 1998 defines "basic-pay", which means pay as defined in Rule 9 (21)(a)(i) of the Madhya Pradesh/Chhattisgarh Fundamental Rules. Rule 4 of the Pay Rules, 1998 provides for payment of revised pay-scales as per Column (4) of the Schedule I or Schedule II, as the case may be. Rule 6 of the Pay Rules, 1998 provides for exercise of option in accordance with the procedure laid down in Rule 11. Rule 7 of the Pay Rules, 1998 provides for fixation of initial pay in the revised scale of pay. Rule 8 of the Pay Rules, 1998 provides for date of next increment in the revised

(188)

scale of pay. Rule 9 of the Pay Rules, 1998 prescribes for fixation of pay in the revised scale of pay subsequent to 1st day of January, 1996. Rule 11 of the Pay Rules, 1998 prescribes for payment of arrears of pay. It was prescribed that the actual arrears of pay as a result of fixation of pay under the Pay Rules, 1998 shall be payable in cash from 1-1-1998 (i.e. pay for the month of January 1998 payable in February 1998). It was further prescribed that the entire amount of difference of emoluments payable on the pay fixed on 1-1-1996 or from the date of next increment or subsequent increments and the emoluments received in the existing pay till 31-12-1997 shall be kept in a separate account, the details of which shall be issued by the State Government separately and on such amount an interest equal to the interest payable to the General Provident Fund of Government Servant shall be paid. This amount shall be deposited in the respective Provident Fund account of the Government Servant on 31-12-2002. The Proviso to Rule 11 of the Pay Rules, 1998 deals with cases of retirement/termination/death of Government Servants. Rule 14 of the Pay Rules, 1998 confers power on the State Government to relax or suspend the operation of any of the provisions of the Pay Rules, 1998 in the case of Government Servants or category of Government Servants in such manner and to such extent as may appear to be just and equitable or necessary or expedient in the public interest. The Proviso to Rule 14 of the Pay Rules, 1998 makes it clear that such relaxation or suspension shall not operate to the disadvantage of the Government Servant or categories of Government Servants, as the case may be. In the present case, the Government has not exercised power as prescribed under Rule 14 of the Pay Rules, 1998.

189

21. The present petitioners, employed in Non-Government schools receiving full grants-in-aid, are entitled to the same pay-scales as payable to their counter-parts working in Government schools as per Regulation 73 of the Regulations, 1965. The identical issue came for consideration before the High Court of Madhya Pradesh. The same provisions of the Adhiniyams, Rules, Regulations (supra) are applicable in the facts of the present cases.

22. In the case of ***State of M.P. and another*** vs. ***Dr. P.K.Shrivastava and others***[7], a Division Bench of the High Court of Madhya Pradesh, while dealing with the grant of benefit of revised pay-scales to the teachers of the college of education, held that all the teachers, including teachers of the college of education, are entitled to the revised pay-scales.

23. The High Court of Madhya Pradesh in ***V.V.Ashthana and others*** vs. ***State of Madhya Pradesh and others*** (supra), ***Indore Region Shikshak Karmachari Sangh and another*** vs. ***State of Madhya Pradesh and others*** (supra) and in ***Dinesh Kumar Asati*** vs. ***State of M.P. and others*** (Writ Petition (S.) No.13599 of 2004), held that the teachers of the Non-Government institutions (schools) are entitled for the same pay-scales and dearness allowance as payable to their counter-parts in Government schools. The Division Bench of the High Court of Madhya Pradesh, in ***State of M.P. and others*** vs. ***V.V.Ashthana and others*** (Letters Patent Appeal No.48 of 2003), upheld the decision of the Single Judge as stated above and dismissed the appeal. A special leave petition was filed, which, after grant of

(190)

leave, was numbered as Civil Appeal No.6399 of 2004, is pending consideration in the Supreme Court.

24. The Supreme Court, in ***Haryana State Adhyapak Sangh and others*** **vs.** ***State of Haryana and others***[8], held as under : -

> "3. ..... In our opinion, the teachers of aided schools must be paid the same pay scale and dearness allowance as teachers in government schools for the entire period claimed by the petitioners, and that the expenditure on that account should be apportioned between the State and the Management in the same proportion in which they share the burden of the existing emoluments of the teachers. ....."

25. The Supreme Court, in ***Haryana State Adhyapak Sangh and others*** **vs.** ***State of Haryana***[9], with regard to mode of payment of arrears, observed as under :-

> **"12.** ..... :
>
> (i) The pay scales of the teachers of government aided schools shall be revised so as to bring them at par with the pay scales of teachers of government schools with effect from April 1, 1979 and the differential amount as a result of such revision in pay scales shall be paid in four six monthly instalments, the first instalment being payable by June 30, 1990.
>
> (ii) The teachers of the government aided schools shall be paid additional dearness

(191)

allowance on the basis of the revised pay scales with effect from April 1, 1979 to December 31, 1985 and the arrears of such additional dearness allowance found payable as a result of such revision shall be paid along with the last part of the five instalments of additional dearness allowance which is to be paid in September 1990.

(iii) The parity in the pay scales and dearness allowance of teachers employed in aided schools and those employed in government schools shall be maintained and with that end in view the pay scales of teachers employed in government aided schools shall be revised and brought at par with the pay scales and dearness allowance payable to the teachers employed in government schools with effect from January 1, 1986.

(iv) As from April 1, 1990 the teachers employed in aided schools shall be paid the same salary and dearness allowance as is paid to teachers employed in government schools.

(v) The arrears of pay and dearness allowance payable as a result of such revision for the period from January 1, 1986 to March 31, 1990 shall be paid in four six monthly instalments, the first such instalment being payable by June 30, 1990."

26. The Supreme Court, in ***State of Haryana and others*** vs. ***Rajpal Sharma and others***[10], has approved (in para 6 at page 276) the ratio laid down in ***Haryana State Adhyapak Sangh and others*** vs. ***State of Haryana*** (supra).

192

27. The Supreme Court, in ***Chandigarh Administration and others*** **vs.** ***Rajni Vali (Mrs.) and others***[11], while considering entitlement of grants-in-aided private schools to the benefit of salary, observed as under :-

> **"6.** The position has to be accepted as well settled that imparting primary and secondary education to students is the bounden duty of the State Administration. It is a constitutional mandate that the State shall ensure proper education to the students on whom the future of the society depends. In line with this principle, the State has enacted statutes and framed rules and regulations to control/regulate establishment and running of private schools at different levels. The State Government provides grant-in-aid to private schools with a view to ensure smooth running of the institution and to ensure that the standard of teaching does not suffer on account of paucity of funds. It needs no emphasis that appointment of qualified and efficient teachers is a sine qua non for maintaining high standards of teaching in any educational institution. Keeping in mind these and other relevant factors this Court in a number of cases has intervened for setting right any discriminatory treatment meted out to teaching and non-teaching staff of a particular institution or a class of institutions. To notice a few such decisions on the point, we may refer to the case of *Haryana State Adhyapak Sangh* v. *State of Haryana*[1] in which this Court issued a direction that the State Government will also take up with the management of the aided schools the question of bringing about parity between the teachers of aided schools and the teachers of government

(193)

schools for the period following that to which the thirty-five instalments relate, so that a claim for payment may be evolved after having regard to the different allowances claimed by the petitioners. In the case of *Haryana State Adhyapak Sangh* v. *State of Haryana*[2] a Bench of three learned Judges of this Court clarifying the judgment in *Haryana State Adhyapak Sangh* v. *State of Haryana*[1] issued a direction, inter alia, that the parity in the pay scales and dearness allowance of teachers employed in aided schools and those employed in government schools shall be maintained and with that end in future the pay scales of teachers employed in government schools shall be revised and brought on a par with the aided schools and dearness allowance payable to the teachers employed in government schools with effect from 1-1-1986."

28. Recently, a three Hon'ble Judges Bench, in ***State of Rajasthan and another vs. S.R. Hr. Sec. School, Lachhmangarh and others***[12], observed as under :-

"**23**. While construing the provision under consideration, it is to be borne in mind that interpretation of a welfare legislation should be to promote education. The service conditions of the employees of the aided institutions are sought to be improved and brought at par with those in Government educational institutions to maintain educational standards. It has also to be borne in mind that our Constitution makers have placed the field of education at a higher pedestal and granted it a special status. Various provisions of the Constitution deal with the aspect of advancement

(194)

of education. The primary education has been held to be a fundamental right in the decision of this Court in *Unni Krishnan, J.P. & Ors. v. State of Andhra Pradesh (1993 (1) SCC 645)* and this aspect still holds the field despite the decision having been overruled on some other aspects in *T.M.A. Pai Foundation & Ors. v. State of Karnataka & Ors. (2002 (8) SCC 481)*. To improve education, various State Governments grant aid to educational institutions and, by and large, teachers of aided private schools deserve to be treated at par with teachers of Government institutions to the extent possible. The provisions of these Acts deserve to be liberally interpreted in favour of the teaching class except where statute may compel otherwise. A statute of no other State has been brought to our notice where similar benefit has been denied to the teachers of the aided institutions to improve education. The service conditions of the teachers also deserve to be improved."

29. The Government of Chhattisgarh, by circular dated 28-11-2006 (P-2), has decided to grant benefit of the revised pay-scales with effect from 1-10-2006. The date of payment of the revised pay-scales in the circular is contrary to the provisions of the Pay Rules, 1998. The Pay Rules, 1998 clearly provide for grant of benefit of the revised pay-scales with effect from 1-1-1996. It is trite that executive instructions/circulars cannot supplant provisions of Rules, Acts, but supplement to fulfill the objective of the said Rules, Acts.

195

30. The Supreme Court, in ***Comptroller & Auditor General of India and others*** **vs.** ***Mohan Lal Mehrotra and others***[13], held as under :-

> **"12.** .....The administrative orders cannot be issued in contravention of the statutory rules but it could be issued to supplement the statutory rules. (See: the observations in *Sant Ram Sharma* v. *State of Rajasthan*[3]). In fact similar circulars were issued by the Railway Board introducing reservations for Scheduled Castes and Scheduled Tribes in the Railway services both for selection and non-selection categories of posts. They were issued to implement the policy of the Central Government and they have been upheld by this Court in *Akhil Bharatiya Soshit Karamchari Sangh (Railway)* v. *Union of India*[4]."

31. Thus, the petitioners are entitled to the revised pay-scales with effect from 1-1-1996 as prescribed under the Pay Rules, 1998, which are neither modified nor amended till date.

32. In view of the submission made by learned counsel appearing for the respondents that there would be a substantial financial burden on the State Exchequer, it is appropriate to give following directions in regard to payment of arrears :-

> (i) The petitioners shall be payable the revised pay-scales immediately with effect from 1-10-2006 in accordance with the Pay Rules, 1998.

(ii) The difference of amount of payment with effect from 1-1-1996 till September, 2006, as a result of the revised pay-scales, shall be payable in ten six-monthly instalments.

(iii) The said amount may be payable to the General Provident Fund of the teacher concerned carrying interest equal to the interest payable to the General Provident Fund of the concerned teacher.

33. As a result, for the reasons stated hereinabove, the writ petitions are allowed. In the facts and circumstances of the case, the parties shall bear their own costs.

34. A copy of this order be placed on the record of the connected writ petitions.
